Welshpool Golf Club

We always seem to be going on about the weather but the sad fact is the weather dictates whether or not we can play golf. Lately because of the rain and wind there have been some games not able to be played. The other side of this is we needed the rain and it has brought the course up nicely. Plenty of grass on the fairways although a little dry in places and the greens are playing really well. We have had the course (fairways) "supered" and the greenness is already showing.

The winners for the last period have been-

Tuesdays – T Welsh, D Bligh, H Barlow and J Roberts.

Wednesdays ladies – F MacPherson, R Brown, T Latch and April monthly medal winner was Sharelle Roberts.

Fridays chicken run – T Welsh, M Lowe, M Welsh, R Knowles, L Pope.

Saturdays men's – Ambrose D Bligh/G Brown, L Pope/T Vardy, D Bligh, T Welsh and the monthly medal to Jeff Cashmore.

Sunday mixed day – A Holland, A Hayes, G English.

The men's pennant have been going very well with four games played and four wins to be sitting two games clear on top of the ladder.

The ladies have been doing pretty well with a couple of wins and are currently sitting second on the ladder.

Do you know what a "Gimmee" is? It is quite often used in more friendly games.

It is an agreement between two losers who can't putt.

Upcoming events –

April 22, men's fifth round of pennant at Welshpool and on April 23, the ladies fifth round of pennant.

April 29 & 30, men's and ladies sixth and last round of pennant.

May 2 Ladies monthly medal and Saturday 5th the men's monthly medal

Friday 18th May the Ladies "Housewives Day"

Saturday 26th May the men's Peter Petersen trophy stroke event

The season is flying past us with only one more competition day until Presentation Night.

The April competition was a quiet one due to the incredible high winds we had the weekend of the 14th April. However dinner was once again an enjoyable get together.

John Roberts with a lovely 2.5kg flathead. Well Done John!

The next competition will be held Saturday 12th May.

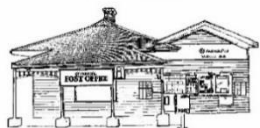

We'd love for you to join us. Meals are still only \$15 per member, and \$20 per non-member. With a three course meal on offer you are guaranteed to not go home hungry! We also have raffles on the night.

Presentation Night is set to be a great night when trophies will be awarded to those with the greatest catches from throughout the year. Stay tuned for more information regarding Presentation Night.

SCHOOL HOLIDAYS:

How we loved this time. Life was a big adventure. We woke of a morning, fun at our disposal. Maybe we had a few chores to do, but they wouldn't take long, as we had better things in mind. Just the same we needed to keep mum sweet, as we planned our fun for the day, in our minds. With the chores done, off we set to meet our pals.

Trust and responsibility at our planning, AND, just in case if it went "a little bit wrong", we would always learn from our mistakes, probably with a good talking to. OR the dreaded strap (thank goodness that was band, even though it really didn't do us much harm). Just the same as we well know, now in adulthood it could always become a good story to tell as we reminisce our younger days.

I found this article in the archives and just had to share it with you. I felt it said a lot about childhood and the adventures we shared with our pals. In this case you can imagine the despair of the parents to say the least, but experience is a great tool. These kids didn't need an EPERB, just take cover and wait.

ARGUS [Melbourne] Tuesday 29th November 1938

MISSING BOYS FOUND ON SNAKE ISLAND

As it reads; After they had spent the night on Snake Island near Port Welshpool five boys were found safe yesterday. Four men had searched anxiously all night for the boys who had left Port Welshpool in a dinghy on Sunday.

The boys were William Dobbs, aged 14 years of Collingwood, who was spending a holiday with his brother in law Mr. Charles Ferlazzo, of Port Welshpool: Frank Roberts, aged 13 years, and his brother Robert, aged 10 years of Port Welshpool. Alan Olsen, aged 11 years, and his brother Clarrie, aged nine years of Welshpool.

The boys rowed to Snake Island. When they prepared to return they found that the tide had risen and they could not reach the dinghy. They spent the night in a cattlemen's hut where they were found yesterday morning by Mr. Ferlazzo.

Well.....maybe this adventure went "a little bit wrong", and no doubt they all would have had a good talking to, and probably a firm hand on their butts, But hey...this adventure was an experience of childhood and living by the sea. AND thankfully, "all's well that ends well".

"VOLUNTEERS PLEASE"

We at the Museum would like some help with a few chores around the place. We have a big job with the painting of the fence. Dreaded job but it has to be done. "Many hands make light work" as with everything. Gardening is always in need, dry and all as it may be the weeds keep growing. Our produce garden needs some TLC, to say the least, for the winter crops. This being a money earner for the museum. There are many other projects. Whatever your time frame or talent we would love your help. Interested? Phone: Fran 0481 385 122 or Janet 0413 199 776
