Welshpool & District Advisory Group

PAID IN FULL

After 5 years the Welshpool and District Advisory Group now own the Op Shop building. Murray Goulburn owned the Op Shop building, and after they vacated the premises we were able to rent the building for a couple of years before being given the chance to purchase it.

We acknowledge the management of Murray Goulburn and their finance team who worked with us to get a very satisfactory outcome for our community. This was a wonderful decision as it helped secure the enterprise in Welshpool.

Many thanks must go to the volunteers who have helped to make our Op Shop one of the best and well known in the area. People come from all over Gippsland to get a bargain or that rare piece of furniture. Of course thanks to all the people of Welshpool and the surrounding districts for supporting and donating their previously loved items. We rely on your support so we can continue to support our area.

The Welshpool and District Advisory Group which represent you, the community, now own both the Rural Transaction Centre and the Op Shop building which have a total value of over \$200,000.

Last year the Op Shop underwent major renovations to the front and has now become a feature of the town and not an eye sore.

Now that this major purchase has been finalised we can return to our mandate of supporting our local community groups.

The Op Shop has become a community hub where people can socialise, volunteer or grab a bargain. This community asset is something we as a community should all be proud of.

Autumn Flower Show – “Water is Life”

What a wonderful coincidence it was that Eva Hendrie was visiting the area at the time of the Flower Show and agreed to open the show. Eva has been a great community supporter, her contribution acknowledged with the award of OAM and had a long association with the Hall and Flower Show before moving to Queensland.

What a challenge the weather has been, but if you stepped into the Welshpool Memorial Hall on the 9th or 10th of this month you would have thought there hadn't been a problem. The show was hosting the Dahlia Society of Victoria Rural Championship and a wonderful array of dahlias was the result. Dennis and Jean Zietsman travelled from Longwarry and locals Gary Kipps, Fran Grylls, Trish Newby and “beginners” Megan, Carol and others contributed to the display.

Best Exhibit in Show and Best Exhibit in Floral Art – Marilyn Mackie – Arrangement featuring dahlias.

Best Exhibit in Dahlias & DSV Rural Championship – D J Zietsman

Best Dahlia – Gary Kipps ‘Jan Lennon’

Best Vase – D & J Zietsman ‘Gay Twinkle’

Best Rose Exhibit – Jane Millard

Best Exhibit in B – Jeanette Burgess – Ginger Lily

Best Exhibit in C – Prue Fleming – Fuchsias

Best Exhibit in D – Joan Thomas – Maidenhair fern

Best Exhibit in F – Susan Schumann – Small Tomatoes

Best Exhibit in G – Jan Gyles – collection

Best Exhibit in H – Jane Millard – favourite plant

Public Choice – Pear Party – Prue Fleming - This exhibit travelled on to the Pear Party on Sunday.

2018 South Coast Show & Shine

Sunday 25th February saw another great turnout at Toora with the 3rd Annual South Coast Show and Shine held at the Toora Recreation Reserve. With a large number of vehicles on display there was something of interest for everyone.

Entrants travelled from near and far to display their wheels and to the crowd we could see the pride that these owners take in their vehicles. The crowd had the opportunity to get up close to many different cars, trucks, motorbikes, bikes and tractors and could also chat to the owners about “what was under the hood”.

There was plenty for the kids with a reptile display, jumping castle, remote control cars, tank rides and helicopter rides.

Once again the crowds were treated to a wild army tank and armoury display which was a crowd favourite.

Thank you to everyone who joined us on the day and helped make this event another great success.

Autumn Flower Show – “Water is Life”

All money raised and Flower Show donations go to the Welshpool Hall.

Once again there were people exhibiting for the first time. There is always a place in this show for what our locals are growing.

The local school children also prepared entries which charmed visitors. Our thanks go to the Welshpool & District Primary School for the decorative entry to The Show and the Pear Orchard for their informative display.

Welshpool Golf Club

With one of the biggest events for the Welshpool Golf Club being the mixed Canadian round of the South Gippsland Golf Classic played on Wednesday 14th February, would you believe the elements were well and truly against us. The wind and rain experienced on the day was the worst many people have seen for a very long time. The morning field of golfers did not finish nine holes although some hardier souls dried themselves off and ventured out once more to finish their round along with the afternoon field. Welshpool winners on the day were – A grade scratch, Paul Delaney and Robyn Galloway. B grade scratch, Alan Hayes and Jeanette Swann. Best back nine Peta Barlow and France Wellman.

The Classic is a nine day event that is in its 28th year. Golf is played on nine different courses over this period and entrants come from all over Victoria, from N.S.W. and even Florida in the US of A.

Welshpool was well represented with Alan Hayes winning the prestigious Bob Durran Memorial trophy for the best aggregate score over four days of golf. The first ever Welshpool member to do so. On the last day of Yarram Jeanette Swann won the C grade event and Alan Hayes won the 18 hole B grade and the 36 hole event played over the Saturday at Foster and the Sunday at Yarram.

Winners at a club level have been:-

Tuesdays – G Wilkinson, D Harris, D Bligh

Wednesday ladies – Sharelle Roberts, 2 person ambrose – M Conley / J Swann, March monthly medal Jen Delaney

Friday chicken runs – Dan Conley, Brian MacPherson, D Bligh, T Welsh

Saturday mens – 2 person ambrose – draw for partners – B MacPherson/D Bligh, stroke – Graham English, March monthly medal – Andrew Brown

Sundays – visitor Phil Packhams, P Delaney, J Cashmore

“No golfer has mastered golf until they realise that their good shots are accidents and their bad shots are good exercise.”

Port Welshpool Fishing Club

Our Best of Species Competition is heating up with a number of categories filled and many trying to top the leader board with their bigger and better catch. New member Joel (pictured below) caught a beautiful 8.79kg kingfish recently, definitely an award winning catch, can anyone top that? Our Best of Species competition runs until the 31st May so there's still time to get out the rod and reel and have a go.

Our Labour Day weekend competition followed by a hearty casserole dinner was a great night with terrific numbers attending. It was great to welcome some new faces and to catch up with some returning members.

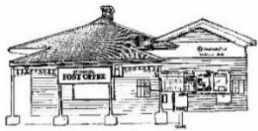

Our next day comp followed by dinner is on **Saturday 14th April**, fish all day, followed by dinner at the Old Ferry Terminal from 6pm onwards. Everyone is welcome to join us, feel free to contact us for more information.

Port Welshpool & District Maritime Museum

Hunter Gathering.. Firstly, remember going out to gather firewood. This was a family outing and how we kids just loved it. All was needed to keep the home warm, the copper light for our Sunday night bath, the washing done on Mondays, and the great meals mum cooked up on the wood stove. The dads and the older boys worked on the saws and axes. Not only were the boys cutting the wood but also learning the responsibility and how to use important sharp tools. Whilst the girls collected what firewood they could carry to load up the boot of the car or maybe you were lucky enough to own a trailer. Telegraph Road was a popular spot for collecting wood, as all were taught, what was the best wood to burn, what was dry and what was green. While we were having fun doing all this, a kangaroo or echidna may be disturbed. Then there were always the wild flowers or the little birds darting around chirping loudly, maybe warning us we were invading their homes, all the thrill of the bush and how lucky were we to experience it all.

Mushrooming.. Love them or hate them, it was fun collecting them. Armed with a knife and a bucket, out we set. Remember the thrill and the excitement when the first mushroom was spotted. Tap it on the top, (I was never sure as a kid why we did this, maybe to make sure no fairies were home), and then cut it through the stalk with the knife. Once again not only were we collecting food but being taught how to manage a knife while running around madly collecting as many mushrooms as we could, as the one with the most in their bucket wins.

Collecting blackberries..Now you may not like mushrooms but you must love blackberries. Even though collecting was a tad challenging. All those thorns to dodge, as it was quite a task getting them out if you were unlucky enough to get one in your finger as we usually did. You could always wear gloves, but no, we were tough, we could cope. Usually we ate more than we put in the bucket. It didn't matter, there were plenty for mum to make jam or that yum blackberry pie. Apart from the thorns the only critter to be mindful of were snakes, but usually they stayed out of the way. You may frighten a rabbit that was having a bit of quiet time in his burrow, but he could always come back when we were gone.

How lucky were we to experience all this fun in the bush and take the great memories into adulthood to share along the way.

The Street Library; under the verandah at the Museum,

“THANK YOU” to everyone that has given us feedback regarding the Street Library. We are so happy you are enjoying it.

After seeing Gardening Australia a few weeks ago on the Telly we have embraced their idea and added another draw. Now you can have puzzles and seeds. Yes, seeds for the garden, flower and vegies.

So call in, give it your time, you don't know what you may find and don't forget it all works the same. Bring, Borrow or Share and Enjoy.
