

Welshpool ANZAC Day

25th April 2017 – 9.30am

Approximately 110-120 people attended the 9.30am service. Normally the service begins at the Cenotaph following onto the Welshpool Hall to conclude.

This year due to the wild weather we held the full service in the hall and it was a great success.

The colour party from the R.A.A.F. Base at Sale did a great job alongside the Toora R.S.L. who conducted the service as Welshpool is acknowledged as a Sub Branch of the Toora R.S.L.

After the service the Hall committee ladies and volunteers provided a wonderful morning tea for all to enjoy. Every year the ladies continue to amaze us with the variety of treats they provide. A special thank you to all the volunteers who helped in any way.

Also a very big thank you to the Welshpool Primary School children for their part in the service, and also Foster Secondary College students.

Our 2017 Seniors Summer Competition has come to an end. With eight teams competing we saw some close (and not so close) games. On Wednesday 3rd May the Grand Final was held which was set to be a close one. In the end it was Light Blue who took the win over Black with a score of 33 to 28. Congratulations to both teams on a great game.

Most Valuable Player for the season went to Jordan McDonald and Laura Foat, well done.

Thanks to all our players, umpires, spectators and committee members for another successful season.

Look forward to seeing you all again in September for our all ages competition.

ANOTHER MILESTONE FOR THE WELSHPOOL POST OFFICE

While the Post Office business has been in its current location since the 1920's and the building itself even longer still, on the 1st of June Cath and Alan officially notch up their first year in charge of the Post Office.

There has been much to learn, especially everyone's name (apologies to any we may still struggle with !!!), and as we had not had Post Office experience we have had a bit of work to do to understand the business as well.

It has been great to get to know many of you, and to also learn the history of the Post Office. Many thanks to prior owners for filling in the years and names, and also to the Haycrofts of Port Welshpool for reproducing and cleaning up old photos discovered among the Port Welshpool Museum and also those kindly shared with us. We hope to display these fully at a later date.

The mail run which complements our business has given us some great photos which have been shared on the Welshpool Post Office Facebook page and have appeared on WIN News weather pics.

The little shop has undergone its own changes and Cath very much enjoys doing the shopping for it, and this is well complemented with the addition of the Australia Post Catalogue which means the stock is always changing.

Many thanks to all of you for your support and we hope to continue to build on what we started.

Cath Alan and of course Shandi

Port Welshpool Working Group

The Port Welshpool Working Group are hosting nine students from the South Gippsland Special School at Leongatha for term two, to learn how to fish. So far the students have learnt safety on the jetty, safe use/carry of fishing lines and of course, some fishing. Already, a small trevally and a starfish have been caught.

This week the students spoke to local Inlet Professional fishermen and looked at their catch, they were also lucky that a Trawler had just arrived, the crew also showing the students some of their catch.

Feedback from the teachers accompanying the students has been great, the kids are loving it.

A big thanks to Alma, Brian, Ellen and Vern for giving their time.

The Port Welshpool Working Group took delivery of a new fridge for the Old Ferry Terminal kitchen.

The Committee would like to thank the Bendigo Toora Community Bank Branch for their donation of \$825-00 towards the purchase, and to Craig from Betta Electrical at Yarram for a great price.

Many thanks, much appreciated.

Port Welshpool & District Maritime Museum

The Library.....A recent media report on libraries told us that some schools were no longer having library. “No library at your school?” But this was where you spent many hours immersed in print or where a helpful librarian directed you to the book you needed to help you finish your assignment and get it handed in on time, or make a suggestion for a great novel you man like to read.

At **Port Welshpool State School** we weren't lucky enough to have a school library but then we had our home library, as it was, comics, books were a plenty and encouraged we were to read as it taught us many things. Learning was the name of the game and from print we got it all. It all started with bedtime stories, and how we loved them. I am sure you can still remember your favourite book and maybe you still have it.

In today's modern age, learning is still the name of the game but in many different ways and it seems with the introduction of computers everything is at the touch of a mouse. (Yuck)

How good is it? Mr. / Dr. Google tells us all, and without leaving your home, but if you do, now you don't have to read the directions to a husband, no Melways to argue over, we have a G.P.S. giving him directions, who would ever have thought!

We have “E” everythings, and in a few cases the spelling has changed dramatically. With the “E Reader” you can buy your books, or borrow from the library, the best of both worlds, and the dictionary is all built in and so is the light and once again you don’t have to leave your home.

Port Welshpool now has a library! Well not in the true sense of the word, BUT, as the Museum we have a “STREET LIBRARY”. The new idea is set up for the community and it costs you nothing, it’s FREE. The way it works.....TAKE A BOOK....read it at your leisure, return it when finished for others to read. GIVE A BOOK.....Donations of great books you have read and want to share with others, but please understand we only want books left if there is room on the shelves, Thanks. SHARE A BOOK....Find a book you really enjoyed at our street library and pass it on to a friend.

We have a seat, all under the verandah. Take a seat and decide which book is your book of choice. With winter on its way what a better way to enjoy this new idea. **“HAPPY READING”**

STREET Library - It's all free for the community to enjoy, at your leisure, any time of the day, the Museum doesn't have to be open to make use of this service.
