

Australia Day at Anchor Park

The Welshpool community came together at the Welshpool Anchor Park to celebrate Australia Day with a fantastic family-friendly event enjoyed by locals of all ages. The Welshpool Recreation Reserve committee hosted a relaxed and welcoming day, made possible with the valued support of South Gippsland Shire Council.

Families enjoyed a classic Australia Day sausage sizzle along with cold drinks, providing the perfect opportunity to catch up with friends and neighbours while soaking up the festive atmosphere. The children were kept entertained throughout the day with face painting, a variety of yard games, and plenty of action on the park playground equipment. Activities such as cricket and bowling proved especially popular, keeping young participants active and smiling.

The event was a wonderful reminder of the strong community spirit in Welshpool, with residents coming together to celebrate, connect, and enjoy a day out close to home. A sincere thank you to everyone who attended and helped make the day a success. We appreciate the continued support of our local community in celebrating Australia Day and look forward to many more events like this in the future.

PORT WELSHPOOL & DISTRICT MARITIME MUSEUM

Well, here we go 2026. Santa has been, Christmas dinner over, and the present buying over for another year... New Year clocked in and New Year's resolutions made... maybe?

Sea Days Festival enjoyed by all. Great positive comments were expressed from visitors to the volunteer staff of the Museum. Numbers were down on last year; all things considered. it was still great. Cheryl Glowrey; a great supported as always with a very interesting talk on the very early days of Snake Island. How Port Albert Pub/ Guest house and Snake Island Light house were a very big part of the island and the connection to Port Welshpool.

And now we settle into the year ahead. Firstly, we welcome a new member to the volunteer team, welcome on board Rob. Recently we have had a lot of community group support and for that we are very appreciative. All help makes light work whether in groups or single handed. Volunteers are always welcome.

We thank the Long Jetty Caravan Park for their support in recommending the Museum to visit especially when it was too windy to hit the boat ramp. Welshpool Horticultural Society has also been a great support to the Museum in many ways. Thank you to the Port Welshpool Working Group who as always are a great support to us as well. All this great community support is of tremendous encouragement in a small community. The Olive Branch; very special thanks Meg. To everyone at the RTC your support helps keep history alive, and with this Newsletter keeps everyone connected.

Thank you one and all. A few group bookings to the Museum have been arranged for the coming months. If you are a part of a group and are looking for a venue to visit call 0413199776, we are happy to open weekdays.

Easter is around the corner. As we face Easter now it seems to have lost some of its gloss with the big supermarkets displaying Easter eggs before Santa has had time to get back to the North Pole.

Remembering when as you look back the mystery and excitement of the Easter Bunny came with special egg hunts and for us at the Port Welshpool "old school", as we called it, at the end of Turnbull Street, we spent many a recess time in the playground, "the bush", making baskets. We wove these baskets from the fronds of "Black Boys", I know it's not politically correct, but as a child that's what we called them, and just quietly I still do, as for the botanical name, doesn't matter, we had great fun creating these precious baskets so we could go on our Easter Egg hunt and we couldn't have had a better setting, Our school ground The Bush,..... Where the rabbits live. **A PIECE OF HISTORY:** The "Old School" building lives on in a new chapter of its life as it takes pride of place at the Long Jetty Caravan Park as their recreation room.

Port Welshpool and District Bowling Club

February 1st we held our Community Bank Toora and Foster Triples.

Unfortunately, the weather didn't play the game as the temperature and wind took a lot by surprise and the late rain shortened the day.

We had teams from Newborough to Stratford and everywhere in between.

Congratulations to the winners, Wayne Arnold, Lisa Arnold and Lee Shaw from Newborough.

Runners-up were Andy Plowman and Phil Stimson with Al Spooner from Toora.

The "Encouragement Award" were to Bronwyn Williams, Mark Angwin and Anne Conel from Fish Creek.

A big thank to Denise and her "helpers" today in the kitchen. We cater for our visitors well and are proud of it.

Seadays Festival 2026

The weather was perfect for the Seadays Festival held over 3rd and 4th of January.

Just over 500 visitors attended over the two days, with feedback being very positive.

The always popular "Come Try Fishing", where young children can learn the basics of catching a fish, saw at least one fish caught over each of the four sessions.

A new attraction for this year, My Barn Babies, was also a big hit with everyone, young and old. Featuring a selection of cute and cuddly animals, visitors were able to interact with the animals up close.

The Welshpool Horticultural Society and MyLi Libraries provided craft activities to the children to stimulate their young minds. As usual, the volunteers from the W.H.S., have come up with new ideas for craft activities and Lisa from MyLi Libraries was kept busy working with the children on their badge creations.

The marine touch tanks and the big aquarium was again popular, with our Melbourne volunteers sharing their knowledge of the local marine-life that they had gathered and had on display.

An audio-visual display of the Great Southern Rail Trail was also quite popular as visitors saw what it has to offer, often out of sight while travelling on the highway.

Our roving ex-tram conductor, Roberto, was seen roaming through the crowd on Saturday with his unique ability to educate and entertain. We hope to have Roberto next year for the two days of the festival.

As always, to stage a Festival such as Seadays requires a contribution from many hardworking volunteers.

The Port Welshpool Working Group would like to thank all the volunteers who helped make the 2026 Seadays Festival the success it was.

We would also like to thank our major event sponsor, Bendigo Community Bank Toora and Foster, for their support for the festival, along with contributions from Southerly Ten.

See you all for 2027.

New Bus Shelters for Welshpool

Welshpool is set to benefit from new bus shelters, with Council recently hard at work reconstructing the town's V/Line bus stops to ensure they meet current safety requirements.

This upgrade has been much needed and is a welcome improvement for both residents and visitors. The new shelters are on the way and will provide increased safety and protection from the weather, offering greater comfort for our community and surrounding travellers while waiting for services.

Another win for Welshpool!

Marry Me Chicken

Ingredients

- 3 Tbsp extra-virgin olive oil, divided
- 4 boneless, skinless chicken breasts
- Kosher salt
- Freshly ground black pepper
- 2 garlic cloves, finely chopped
- 1 Tbsp. fresh thyme leaves
- 1 tsp. crushed red pepper flakes
- 3/4 cup low-sodium chicken broth
- 1/2 cup finely chopped sun-dried tomatoes
- 1/2 cup heavy cream
- 1/4 cup finely grated Parmesan
- Torn fresh basil, for serving

1. **Step 1** Arrange a rack in centre of oven; preheat to 180°. In a large ovenproof skillet over medium-high heat, heat 1 Tbsp. oil. Generously season chicken with salt and black pepper and cook, turning halfway through, until golden brown, about 5 minutes per side. Transfer chicken to a plate.
2. **Step 2** In same skillet over medium heat, heat remaining 2 Tbsp. oil. Stir in garlic, thyme, and red pepper flakes. Cook, stirring, until fragrant, about 1 minute. Stir in broth, tomatoes, cream, and Parmesan, season with salt. Bring to a simmer, then return chicken and any accumulated juices to skillet.
3. **Step 3** Transfer skillet to oven. Bake chicken until cooked through and an instant-read thermometer inserted into thickest part registers 165°, 10 to 12 minutes.
4. **Step 4** Arrange chicken on a platter. Spoon sauce over. Top with basil.
