The Great Southern Rail Trail

Connecting South Gippsland to Wellington Shire

The extension of the Great Southern Rail Trail from Welshpool to Alberton is now open!

Last Thursday, our Mayor, Clare Williams and Wellington Shire Council Mayor, Ian Bye, visited the recently completed section, to view the finished works first hand.

The new extension means the Great Southern Rail Trail now spans a whopping 129 kilometres, making it the second longest in Victoria.

The extension was made possible through \$6 million Regional Infrastructure Grant funding from the Victorian Government, via the

Department of Jobs, Skills, Industry, and Regions.

An official opening of the Trail will be celebrated in September, just before the school holidays, when the splendour of the season will be enjoyed by all.

The extension adds an extra 21 kilometres to the Trail. Heading east from Welshpool, you can travel to Port Welshpool, Alberton, Port Alberton and Yarram. Along the journey, enjoy the view from the impressive 80-metre bridge over Albert River.

When embarking on your next Rail Trail adventure, be sure to check out the new section of the Great Southern Rail Trail.

Welshpool Primary School

On Friday 17th May students participated in a First Nations cultural performance as part of Mitch Tambo's Walan Baa Youth Tour. The presentation explored the topics of culture, identity, belonging and empowerment. Students participated in song and dance as well as a yarning circle. Joining Mitch on the tour was his wife, Lele. The Voice of Lele performance focused on community development, empowering individuals, and promoting togetherness while offering students an understanding of a refugee experience. It was a fantastic day of performances. The students and staff were actively involved through each presentation.

About to light your
Fireplace?
Time for a Safety Check

Fireplace Safety

To reduce the risk of fire from your fireplace or solid wood heater you should:

- ✓ Use a torch to check for creosote build-up or obstructions
- ✓ Have your chimney professionally cleaned annually
- ✓ Only burn dry, clean wood
- ✓ Don't leave your fire to burn after you have gone to bed or left the house

Ensuring your families safety

or call 1800 668 511

As we brace for the cold, let's stay energy efficient and save on bills.

Here are some tips to keep cosy without breaking the bank:

🔥 Set your heater between 18-20. Every degree higher adds about 15% to your energy bill.

✓ Replace old gas heaters with reverse-cycle air conditioners. They're the cheapest and most energy efficient heating source.

💧 Wait until your washing machine and dishwasher are full before running a cycle.

💡 Replace old light globes with energy-efficient globes. You can wipe up to \$16 per globe annually.

🌀 Fit draught seals on windows and doors.

Shortest Day of the Year

Friday, 21 June 2024

The days become shorter as a result of the earth tilting away from the sun (at least in one hemisphere at a time). This causes the sun to appear lower in the sky and spend less time above the horizon, meaning the day is shorter.

The word solstice comes from Latin 'solstitium' meaning "the sun stands still". This is because the sun's path north or south stops before reversing direction.

Port Welshpool & District Maritime Museum

The Museum will be closed over the winter months for our usual winter tidy up. However, if you are a member of a club or group and have members that would like to explore the local history, we are happy to open for groups. Just give us a call to discuss 0413199776.

How exciting is it to receive a phone call asking if we would be interested in receiving documents of forgotten history? I can tell you.....very! Recently we have had the excitement of receiving a full report of the "Western Spruce Disaster" at the Long Jetty. This report was kindly donated by Terry Bowman, son of Jock Bowman who was Policeman in charge of the operations who was stationed at Yarram at the time.

Another treasure that was found at Inverloch and given to the Museum is a full plan by a then committee who organised the "Avenue of Honour" trees that we see still standing in the Welshpool Main Street. How wonderful would it be to have the plaques with names of the local men that went to and fought in WW1 standing proudly back at the base of these trees. All these documents will be on display for all to see so as history is kept alive.

The Committee of the Museum are excited to have planned Mike McCarthy to be guest speaker at the Old Ferry Terminal building, **Wednesday 4th September** to entertain us with a talk on the Great Southern Rail Trail and the history along the way.

The following month on **Wednesday 2nd October** we are excited to announce we will be having another photo and story day as we have had in the past. Where you can bring your photos along and have them copied and stories can be documented as we share the history of the area. Previously we held the first of these days and were rewarded with a lot of photos and stories while everyone enjoyed a chat over a cuppa and cake while catching up with old friends.

As we get closer to the dates more info will be given as the Committee organises these community events.

So, as we work our way through Winter and enjoy the sun as Mother Nature shows us it's not all cold, wet, wind and rain we hope you can join us in the coming months to help celebrate history of the area.
