

## Port Welshpool & District Bowling Club

If anyone has ever wondered what happens to our green when the bowling season ends. In short, our members roll their sleeves up and get stuck in.

We have concreted one of our banks; completed the annual green renovation which included a lot of wheel barrowing to dethatch, core, top-dress and fertilize the green and installed a new security system.

Many will recognize those in the photos and there are quite a few who were unavailable or camera shy who helped in other ways, also some very generous people from outside of the club such as:

Phil who we get to do the coring with the machine from the Foster Golf Club .

Andrew from South Gippsland Earth and Stone who generously carted the sand.

Dylan McMeekin from Living Turf for his expertise for which Errol would be lost without.

Also, thanks to Matt who drove 6hrs to collect and return the hired top-dress machine from Easy as Hire at Koo Wee Rup.

Craig and Carla at Prom Meats who donated snags for the troops.

The fellas at Linxcrete concreted the renovated bank.

Thank you Alberton Timber for supporting our bank project also.

A tiring week but we'll worth it.

## Welshpool Recreation Reserve

The Welshpool Recreation Reserve committee are still looking for a couple of extra committee members to help support one of our towns' most valuable assets.

Being a community-owned facility, the Recreation Reserve depends on volunteers to keep things running smoothly.

Being part of the committee doesn't require special skills — just a willingness to contribute ideas, lend a hand and help ensure the reserve continues to serve our community well into the future.

Please consider getting involved. Your support can make a real difference. Our next committee meeting will be held on **Monday 25<sup>th</sup> May at 7pm** at the Reserve. All welcome.

Anyone interested in joining the committee or finding out more is encouraged to get in touch with Tina - 0409444162. Let's work together to keep this wonderful community asset strong.

# Port Welshpool Coast Guard

## FUNDING FOR NEW OFFSHORE RESCUE VESSEL ANNOUNCED

Very exciting news this week! The Hon. Tom McIntosh, Upper House MP for Eastern Victoria has announced \$1.9M for a new vessel for Port Welshpool Coastguard.

He made a surprise visit to the Flotilla's base on Tuesday 5 May, to announce the funding, secured in the recent State Budget.

"This funding for a new rescue vessel is a massive boost for safety along the Gippsland coastline", said The Hon. McIntosh.

Flotilla Commodore Robin Street and other members have been working hard for well over a year to secure funding for a new vessel.

"This is sensational news that caught us totally by surprise. It means we will be getting a new custom-built mono hull craft designed for the conditions we face on Bass Strait," said Robin.

The good news is a light in the shadow of tragedy, as all marine rescue members mourn the loss of two Marine Rescue NSW volunteers and a member of the public in a boating tragedy at Ballina on Monday night.

The current Port Welshpool rescue vessel is an ex-police boat and has seen decades of active service with the Police and Coastguard but is now aging quickly and is no longer fit for purpose.

"When launched, the new boat will provide enhanced rescue capabilities for the South Gippsland boating community and provide a reliable and safe vessel for our volunteers for many years to come", said Robin.

The Hon. Tom McIntosh concluded his announcement by recognising the important role Coastguard volunteers play in Victoria, saying "A huge thank you to all the dedicated volunteers who keep our waters safe".

## South Gippsland Shire Council News

### Maternal Child Health Services

Do you have a baby or a little one at home? Did you know that Maternal and Child Health (MCH) is a free service available to every family in Victoria? Our MCH team supports families with children from birth to school age.

All of our Maternal and Child Health nurses are registered nurses and midwives, with additional qualifications in child and family health. There are six MCH Centres located across South Gippsland.

Our friendly and qualified staff can provide support across a range of areas, including:

- Recovery after birth.
- Sleep and settling.

- Feeding.
- Growth and development.
- Immunisation information.
- Child safety and illness.
- Family wellbeing.
- Developmental health checks, and early intervention when needed.

We've recently updated the MCH page on our website, with new resources and links to further support services.

To learn more, access support and find your nearest MCH Centre, visit:

# NEW WEATHER STATION ONLINE AT PORT WELSHPOOL COASTGUARD

With the aim to help improve real time weather information in Corner Inlet, Port Welshpool Coastguard have just installed a multi-function weather station at the Flotilla's base, adjacent to the Port Welshpool boat ramp. Sited on the radio tower, the unit is already transmitting wind, temperature, pressure and other data to the public Wunderground weather site, where anyone can access it.

Accessing the data is easy via both the Wunderground web site or the Wunderground App (available for Android and iPhone).

**WEB ACCESS** (works via computers, tablets or phones).

1. Enter Wunderground into your internet search engine.
2. Select the Wunderground web page.
3. On the home page type Port Welshpool into the search bar (usually top right corner on page).
4. Select Port Welshpool, Victoria, Australia from the auto-generated list.
5. That's it, you're in and will be seeing a summary page for the Port Welshpool Station!
6. For the full data, click on PORT WELSHPOOL STATION, located on the banner at the top of the page.
7. Current conditions are summarised at the top and scroll down to view details including graphs showing weather data for the day so far.

Note: the first time you use Wunderground, units will be in imperial. To change to metric, look for the 'settings' symbol at the right of the search box, visible on any page (looks like a cog). Click on it and select oC. This will change all units to metric.

## APP ACCESS

1. Download the Wunderground App from your app store.
  2. Open app and tap on the map. Use two fingers to zoom into Port Welshpool general area.
  3. Wait till screen loads. A circle with a number in it should be visible at Port Welshpool. If you zoom in closely, you'll see it matches the Coastguard station at the boat ramp.
  4. Select the dot to get weather station summary data.
  5. Select View forecast
  6. Select more for complete weather station data.
- NB: the app only presents current conditions, not history.  
Use the web version to access history graphs.
