

Quilt Exhibition

On Saturday 5th and Sunday 6th October 2019, the Welshpool Memorial Hall was adorned with over 130 quilts of all colours and styles. Quilters from Korumburra, Foster, Fish Creek, Welshpool, Yarram and many towns in between gave their quilts generously for the display, which created an exhibition of extremely high quality. The quilts highlighted hand and machine pieced works of art; applique, needle-turn, embroidery, quilting and plenty of colour choice gave a feast for the eye.

Several hundred visitors came to admire the quilts and to enjoy the homemade goodies available in the kitchen. People travelled from Melbourne, the Peninsula, Latrobe Valley and Eastern suburbs to see the exhibition.

All money raised over the weekend will be donated to local charities. Joy Kipps and Kerryn Mattingley, who organised the exhibition, wish to thank the local quilters who allowed them to display their quilts. They would also like to thank their small band of helpers who made the weekend such a success.

The Leongatha ROSE Spectacular

November 8 & 9
featuring the RSL Rose

Memorial Hall, Leongatha
Admission \$5.00 - children free

Information? Please contact
Sandra: eskaye504@gmail.com
Josie: 5657 3292

The sight and scent of hundreds of roses will welcome visitors and exhibitors to the 48th Annual Leongatha Rose Spectacular. To be held on Friday 8th November and Saturday 9th November, the Show promises a great opportunity to view the myriad varieties of roses and to chat to exhibitors and experts alike on all aspects of the rose.

The Feature Rose for 2019 is the RSL Rose. A gorgeous specimen, the flowers are in burgundy and amber, and are borne on long stems with glossy deep green foliage. The RSL Rose was chosen this year in recognition of the centenary of the end of World War 1, and as a tribute to the work and support of the RSL towards returned defence personnel.

Besides the large cut flower section, there also promises to be children's activities, plant stall and posies for sale, as well as the Red Cross ladies serving their signature delicious morning and afternoon teas and lunch.

The Leongatha Horticultural Society is proud to present the Rose Spectacular this year, particularly as it comes at the conclusion of the All Things Rose project. This community based project, a joint collaboration between the Hort. Society and the Leongatha Community House, has been running throughout the year, and has

stimulated interest among experts and novices alike in many aspects of the rose including horticulture and the arts. Leongatha, and in particular the Horticultural Society, warmly welcome all visitors to the Rose Spectacular at the Memorial Hall in Leongatha. A delightful day out in beautiful surroundings, a chance to view and note outstanding roses and a chance to appreciate the verdant scenery of amazing South Gippsland awaits you.

Port Welshpool & District Maritime Museum

Continuing from last issue.....

Back to the Prom; When Wilsons Promontory was established as a permanent National Park in 1905, more than half of the township of "Seaforth" was incorporated.

By 1906, when a Field Naturalists Club visited the site, they found that there wasn't a building to be seen. By 1910, all except 2 allotments had been re-purchased by the crown. The owners of lots 57 and 88 could not be traced and those blocks were in effect not incorporated into the park until as recently as the 1970's.

Many of the buildings that couldn't be found by the naturalists had been shipped to Port Welshpool and became homes along the foreshore. On the beach side of Lewis Street, near the old Ferry Terminal building were many homes and huts. Prime real estate for many years, but eventually as wind and tides slowly eroded the sand from nearby footings and for safety they had to be moved. The homes were in good condition structurally, so it was an easy decision to make and into the town they went. A couple that share this history are in Stewart and Townsend Streets.

As I mentioned in the last issue, the hotel from the prom became a very important part of Port Welshpool. Not as a pub but as a Post Office. For many years it was the hub of the town where many gathered each morning to discuss the ways of the world and the fishing, not to mention the weather while they waited for the mail to be sorted. Friendships formed and help given, as was the way in the country and small towns.

Mr. A.J. Smith, who once owned this building, when on the prom, eventually fulfilled a dream of owning a hotel. Many years later he purchased the Port Albert Hotel and held the licence for 26 years.

Now he could have owned it as a restaurant. What a history this building has had.

What is the saying..... "If only these walls could talk".

Name Changes; Over the years there have been many name changes to the coves and beaches between Mount Singapore and Chinamen's Beach. At the time of the establishment of the township of "Seaforth", the beach was called "Carriage Drive".

Its name of Chinamen's Beach comes due to the presence, on and off, from 1850 to the 1920's of Chinese Fishermen who used this site as a base for their livelihood.

Chinamen's Creek and Johnny Sovey Cove are two other examples of where Chinese fishermen operated from.

The Township of Seaforth extended inland from the beachfront to a distance of $\frac{3}{4}$ of a mile. At its Southern limit it was defined by Boundary Road, which began at the South end of Chinamen's Beach heading inland and eastward from the shoreline.

The East edge of the Township; that further most inland was bound by Leonard Street, which led to the north where it met the lower slopes of Mt. Singapore.

The distance from north to south was $1 \frac{1}{4}$ miles.

View Street, the most elevated land site, denoted the northern boundary of the location and it extended from the East- Westward to Freshwater Cove.

Local knowledge, a sharp eye and perseverance would be required to find and identify any evidence that there existed once at this location, the formative development of a township that failed to materialise. As time moves forward, nature further hides the traces of Seaforth ever existing but history has it in the diary and Port Welshpool has it in its keeping.

Welshpool Recreation Reserve

Did You Know?? That the Welshpool Recreation Reserve, also known as the Arthur Sutherland Recreation Reserve, belongs to YOU, the people of the community. The Reserve was donated to the Welshpool Community by Mr Arthur Sutherland in 1969 and is overseen by the Welshpool Recreation Reserve Committee.

During the year the Welshpool Recreation Reserve run their annual Seafood Night in February and the Lawn Mower Race Day in December. These fundraising events assist in the upkeep and improvements of the facility.

The Reserve is also home to the Welshpool Basketball Association, Prom Coast Soccer Club and Welshpool Golf Club. These clubs have been part of the Recreation Reserve for a number of years and are all very successful, constantly growing clubs.

The Recreation Reserve committees aim is to continue to maintain and improve the facility to guarantee its future use for all community members. One of our most recent major achievements was the complete replacement of the basketball stadium floor which will now guarantee play at Welshpool for years to come.

If you have ideas or would like to help with the management of the Reserve we'd love to have you on our committee. We meet once a month and welcome any new general members. We are also looking for a new Treasurer if this is something that may be of interest to you. Please contact welshpoolreserve@outlook.com or Madelaine on 0409976211.

Be sure to join us on Saturday 7th December for our next Lawn Mower Race Day. It's a fantastic day of action and excitement for the whole family. With plenty of action on the track and activities for kids of all ages everyone is guaranteed a great day out. See you there!!!

Welshpool Golf Club

October's busy schedule of golf is well and truly up and running. The Men's Championship concluded on Saturday 28th September with Michael Roberts winning the honour with a very creditable score of 69 off the stick with a total of 260 over the three games to win the A Grade scratch event. The B Grade scratch winner was Merv Lowe with 305 and the Handicap winner was Michael Roberts with a net 218 (14).

The October monthly medal event coincided with the Star Medallist event. The Star medal was won by Gary Brown net 72 (30). The monthly medal was won by Pappy Pope with net 67(20) followed by Paul Delaney 70(11) and Gary Brown 72 (30)

Our Annual Tournament has been done and dusted with all days being successful as far as golf was concerned and but for Fridays somewhat inclement weather for the ladies event the conditions were very good throughout the subsequent days.

Friday was the ladies 4BBB where 36 ladies vied for the winning honour in wet and windy conditions. The golf reflected the conditions somewhat but that did not stop Di Walker and Trudi Prue coming out on top with a score of 33 points to win A Grade. B Grade winners were Trish Latch and Dot Stait with 29 points. There were no NTP's achieved and no one achieved the \$300. Hole in one.

The best 9 holes went to Rachael Brown and Deb Williams with 19 points.

The men's event on Saturday saw much better conditions to play golf in as Paul Delaney came in to secure the Scratch award with 79 off 11 handicap. The A Grade handicap winner went to Graeme Brennan with net 70 off 21 and the B Grade winner was Harry Barlow with 38 points (35). NTP's were awarded to 15th Neville Thompson and the 17th Graeme Brennan. Balls down the line to Gary Brown 36 (30), Brian MacPherson 34 (17) and Graeme Brennan 34 (21).

Sunday saw the sun come out to create ideal playing conditions in which to play the two person medley ambrose event. The course was presented in great condition for the weekends play and good golf was to be expected. The clear winners were the pairing of Nathan Lucas and Cameron McCaughan from Foster with a great score of 70 off the stick to win the scratch event. The A Grade handicap winners were Norm Cooper and John Stone also from Foster with a net 69 ½ (7 ¾). B Grade handicap winners were Geoff and Linda Forrester from Woorayl with net 68 ¾). NTP's were awarded to Alan Hayes on the 6th, Geoff Forrester 8th, John Stone 15th and the ladies went to Peta Barlow on the 8th.

Ball down the line were awarded to- N. Cooper/ J. Stone (69 ½), D. Conley/ G. Brennan 70 ¾, G. & S Brown 70 ¾, D> Bligh/R. Brown 71 and L.Pope/ G. Wilkinson 71 ¼.
