

Toora Football Netball Club

After a successful 2023 season on both the footy field and netball courts, the Toora Football Netball Club were excited to have a number of teams in the finals series.

The football reserves team made the finals however unfortunately they were defeated in the first round. Well done on a successful year.

The netball girls under 13's, under 17's, B Grade and A Grade all made the Semi Finals. After some hard fought finals games, the A Grade and Under 13's girls were through to the Grand Final.

Though our A-Grade netballers couldn't quite clinch victory this year, their incredible performance throughout the season deserves recognition. 🌟 Kelsey and Hannah, in particular, have been nothing short of amazing. Their dedication, fantastic training sessions, and leadership played a vital role in the team's journey. The club extends its heartfelt thanks, and we can't wait to see what 2024 holds in store!

The Under 13's girls had a fantastic result defeating Boolara 25 to 16. Coach Tara and her dream squad! 🌟🏆 Huge congratulations on an incredible victory, girls! The club is absolutely thrilled and bursting with pride for each and every one of you. Way to go!

Congratulations to all players within the Toora Football Netball Club, and a huge thank you to everyone involved, from committee members, players and their families, our volunteers who work tirelessly and to our supporters who continue to help make our club a family-friendly football and netball club, run by volunteers for the community.

We look forward to 2024!

Port Welshpool Community Plan Update

Earlier this year the Port Welshpool Working Group, after consultation with the local community, identified four projects that were seen as important for Port Welshpool.

A vote was then taken to prioritize these projects.

A total of 78 valid votes were received, a great result for a small town like Port Welshpool.

The results are:

- Footpath crossings from Lewis Street to the fore shore walking track.....216 votes.
- Public toilets at the Long Jetty.....210 votes.
- Street Light upgrades.....185 votes.
- Seating upgrade along the Lewis Street Foreshore.....169 votes.

Sophie Dixon at the South Gippsland Shire Council has reported that planning is underway regarding the Footpath crossings (Keene, Albert and Stratton Streets).

The Port Welshpool Working Group will work with Council and other relevant bodies to implement the remaining projects.

We will endeavor to keep you informed of progress with these projects.

The Port Welshpool Working Group would like to thank all the residents that took the time to fill out the voting forms.

Port Welshpool & District Maritime Museum

As Mother Nature flicks the switch for spring, one financial year comes to an end and another starts, we take time to plan for the year ahead. The Museums A.G.M. held and each of the incumbents stood unopposed, was therefore reappointed with all positions accepted. 2023/2024 Chairperson/ President, Rodney Grylls, Secretary, Janet Taylor and Greg Gordon, Treasurer. The Committee and members have plans for the year ahead; with the major renovations behind us and the **Museum Open** once again after the Winter break. As we receive them, stories are being added to our existing photos. If you have photos that you care to share, we are always happy to copy and add to our collection to keep history alive. **Opening hours;** Weekends 12.30 to 3.30pm. If you know of a group that would like to visit weekdays, all can always be arranged. Janet will be happy to arrange with you, call 0413199776 and have a chat.

Have you checked us out on Facebook? Our **Facebook** page is sailing along nicely and we are proud to say, for the short time we have been up and running we have 100 members to date, on board for the ride. Through the Facebook page you can click onto the link and get to our new **webpage**. Many are showing great interest and how nice is it to be able to connect all over Oz with just a click of a button. It is there for you to ask questions, contribute photos and stories or just reminisce the past. We would love your input whether you are a past resident or new to the area or maybe just interested in history. Recently we were given photos of Mr. Bass's Picnic. To have them on show for all to see, we are interested in having stories for visitors to read to compliment these photos. How important are our stories and dates to go with photos, we are all guilty of taking photos but never a date to tell us when?

Webpage; Click on to ptwelshpoolmuseum.wixsite.com/pwmuseum

New flyers are out in many local businesses to advertise this great part of history that has pride of place in our port. Thinking ahead for that Christmas or Birthday gift we have many books for sale by local historians. Plans are in the wings for the up and coming Sea Days Festival in January 2024. Keep posted as more will be revealed as the plans come to the fore. As you read you are aware that all is positive for the coming year BUT and yes there is always about. More hands are always needed in whatever capacity you see fit, we would love to have you on board.
